CONVERSATION ABOUT WORSHIP TODAY FOLLOWING SUNDAY SCHOOL (light lunch will be served)

We will be sharing a congregational conversation about worship. During the months of January–April we have been experimenting with a variety of "transitional" approaches to worship. Each Sunday of the month has been offered in a slightly different style as we have moved through the month, moving from formal and traditional to less formal, more blended, and eventually a praise-team led worship experience.

In preparation we offer the following questions for your reflection:

- What have you/we learned about worship?
- What approach(es) to worship will best help us in our goal of "keeping those who are already part of FBC engaged, **and** reaching persons who are not part of FBC?"
- What opportunities and/or challenges has this time of learning about worship revealed?
- As we move forward what would be one thing you would like others to know about worship at FBC?

So, please come and participate with others in a conversational forum that will give our Worship Pathway and Church Council valuable input as we discern next steps in worship and ministry.

BON VOYAGE TO CASH FAMILY

Please join us on June 3 with a pitch-in meal starting at 11:45 a.m., to wish Bon Voyage to the Cash family as they begin Dan's sabbatical. The church will provide meats, bread, tableware and drinks. For those attending, please bring a side dish or desert to share. **Please mark**

on the welcome pads if you wish to attend so that we cater appropriately.

Graduation & Promotion Sunday ~ May 27 during worship

PHOTO SKILLS WORKSHOP June 3 ~ 10:45 a.m.

This Sunday morning elective program in the FBC Chapel will focus on improving photo skills when taking pictures with camera phones or any digital camera. Topics to be discussed include composition, lighting, quality and editing. The workshop is free to all attendees and may be very helpful to those participating in the Photo

Challenge. The workshop instructor is FBC's Paige Williams, a member of our congregation, a professional photographer and owner of P•K Photography. "My goal for this workshop is to help people be more comfortable taking pictures with their phones while also helping them take better quality photos," explained Paige.

OUTSIDE MAINTENANCE & LANDSCAPING

Many THANKS to the folks who have committed to help with the outside maintenance (landscaping) of the church property this summer and fall. If you missed the opportunity to sign up last week, there are several areas where a crew of two or three is needed. See sign-up board across from the kitchen entrance. **If you have questions, contact Ryan Jones or Bob Rhude.**

As Memorial Day approaches, you may wish to consider placing a brick in the Columbarium Memorial Garden. The Columbarium Committee is taking orders in May for memorial bricks to be inscribed and placed in the Garden. The cost is \$60 per brick, payable to the FBC Columbarium Fund. Below is a form showing the inscription requirements. Please see Jeannie Greenlee or Ron Lane for assistance, and submit the form and check to them. We would like to order the bricks in June if we have all of the orders by then. Thank you!
