NEW LYRICS

Digne/Digno/Worthy ----- Josh David and James Gilliland

Tu es digne.
You are worthy.
Eres digno.
Digno de recibir.
Mi pasado
Mi futuro.
Eres digno.
Digno de recibir.

(Chorus)
Toda la gloria.
Toda la honra.
Lord, You are worthy, God.

You are worthy.
Eres digno.
Tu es digne.
Digne de recevoir.
Tout mon bonheur.
Toutes mes souffrances.
Tu es digne.
Digne de recevoir.

(Chorus)

(Bridge)
Lord, You are worthy, forever worthy.

Shalom (Peace)----- Josh Davis and James Gilliland

Let your Kingdom come to our streets, to our sidewalks.
Let your will be done in our pride, in our shame.
Let your Kingdom come to our homes, to our families.
Let your will be done for the sake of your name.

In our violence and our fears,
Jesus, we need your presence here.

(Chorus)
Amaan, Shanti,
You are Lord of lords and Prince of Peace!
Shalom, Salaam,
Let your peace, O Christ, rule our land.

Let your glory fall in our bars, in our classrooms.
Let your justice rise in our courts, in our parks.
Let your glory fall in your church, in our churches.
Let your justice rise in our welcoming hearts.

(Pre-Chorus)

In all our struggles and our tears,
Jesus, we need your presence here.

(Chorus)

(Bridge)

We seek your Shalom,
We seek your Shalom here.
We find our Shalom,
We find our Shalom here.

(Repeat)
